

Over 20 years of expertise,
innovating healthy food for a better future.

we are welcoming distributors from all around the world to come join hands with our brand

Import

Premium nuts, grains, and dried fruits, selected and sourced directly from trusted farms.

Own Branding

Delivering healthy innovations with:

1. Low-temperature roasted nuts
2. premium sprouted nuts.

Export

Supplying products as wholesaler, retail, and factory raw materials for both domestic and international markets.

Manufacturer

Producing products under the **Sungrains** brand, guided by the slogan “**Innovative Healthy Snacks.**” Our own factory, certified with **BRCGS** and **Halal** standards.

OEM Services

Manufacturing products under our clients’ brands from raw material selection to customized packaging, tailored to meet your specific requirements.
