Products Co., Ltd.

Tiantai Tuyue Automotive
Products Co., Ltd.

Tiantai Fulin Automotive
Products Factory

Tiantai Jinding Automotive
Products Co., Ltd.

Zhejiang Hongshengyuan
Automotive Products Co., Ltd.

9 recommended enterprises for partnership opportunities

Oct. 16: Match-making with Wenling Companies

Event Details

Date

October 16 (Friday)

Time

14:00 - 17:30

Location

Meeting Room 1, Zone B

Format

Face-to-face matchmaking

Pumps and Motors

China's Small Pump City, 20+ national industry bases

Auto and Motorcycle Parts

Complete supply chain from components to assemblies

Machine Tools

Precision manufacturing equipment

New Energy

Wind, solar, and energy storage

Wenling: First national-level zero-carbon industrial park in Zhejiang

Wenling Leading Enterprises

Leo Group

Pumps and water systems

Qianjiang Motorcycle

Motorcycles and vehicles

Aishida

Electrical appliances

Xinjie Pump

Pump manufacturing

Xinlei Electromechanical

Electromechanical equipment

Zhejiang Hengbo Auto Parts

Automotive components

Wenling: Export-driven manufacturing powerhouse

Wenling Key Products

Pumps and Motors

Water pumps, submersible pumps, booster pumps,
industrial motors

Machine Tools and Auto Parts

CNC lathes, precision machinery, motorcycle and
automotive components

Wenling: 20+ national-level industry bases

Oct. 17: Match-making with Nantong Companies

Event Details

Date

October 17 (Saturday)

Time

14:00 - 17:30

Location

Meeting Room 8, Zone B

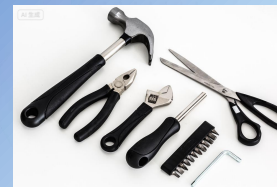

Format

Face-to-face matchmaking

Electric tools

Hand tools

Oct. 18-20: Canton Fair Visiting

Event Information

Date: October 18-20 Duration: 3 full days Location: Canton Fair

Activity: Exhibition visiting and trade exploration

Electronics and Electrical

Latest innovations in consumer electronics and electrical equipment

Machinery and Equipment

Advanced manufacturing equipment and industrial machinery

Smart Home and Consumer Goods

Smart home appliances and quality consumer products

China Import and Export Fair (Canton Fair): The largest trade fair in China

Oct. 21-22: Travel & Industry Promotion Day

Oct. 21 — Travel Day

Tianjin's 10 Key Industries

Investment Opportunities Across Advanced Manufacturing, Digital Economy & Green Development

Intelligent & Connected Vehicles & New Energy Vehicles

Vehicle assembly, core components, R&D testing and export; focus on autonomous driving, automotive chips and e-drive systems.

01

Aerospace & Low-Altitude Aviation Economy

Large aircraft final assembly, launch vehicles, satellite applications and aviation MRO; UAVs and aircraft asset management.

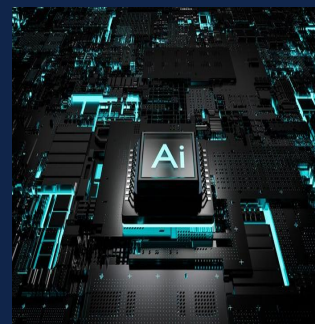

02

Biopharmaceuticals & Medical Devices

Modern TCM, chemical & biologic drugs, cell therapy and high-end devices; innovative drug R&D, pilot scale-up and clinical trials.

03

Next-Gen IT, ICs & Digital Economy

Autonomous computing, chip manufacturing, IT application innovation and industrial software; AI, semiconductor equipment and data services.

04

High-End Equipment & Industrial Automation

Automotive engineering, marine equipment, power equipment and automation; industrial robots, motion control and smart factory upgrades.

05

Tianjin's 10 Key Industries

Investment Opportunities Across Advanced Manufacturing, Digital Economy & Green Development

Green Petrochemicals & Advanced Materials

Refining, fine chemicals and high-performance polymers; electronic chemicals, catalysts, composite materials and low-carbon processes.

06

New Energy, Power Equipment & Advanced Storage

Photovoltaics, energy storage batteries, wind and hydrogen energy; offshore wind, zero-carbon parks and new energy equipment export.

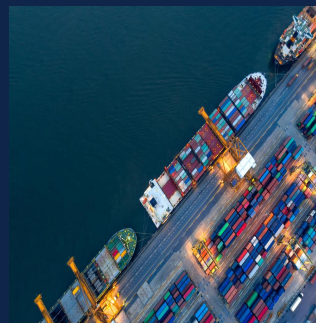

07

Circular Economy & Environmental Protection

Recycling of home appliances, vehicles and batteries; carbon management, power battery recycling, eco-equipment and carbon assets.

08

Port & Shipping Logistics, Intl Trade & Supply Chain

Port shipping, China-Europe rail, bonded warehousing and supply chain finance; regional procurement and international distribution.

09

Food Processing, Consumer Goods & Pet Care

Grain & oil processing, food ingredients, pet nutrition and personal care; functional foods, smart factories and regional supply hub.

10
