

## ABOUT JCS

JCS Investments Ltd, established in 2004 is a leading Ghanaian impact investment firm licensed by the Securities and Exchange Commission (SEC). With 20 years of expertise in inclusive impact investments across various sectors, we specialize in unlocking the untapped potential of emerging markets.

At JCS we serve as a trusted platform for environmental innovation, inclusive development and are at the forefront of sustainability, innovation, and environmental transformation across the country. Rooted in a commitment to responsible growth and inclusive development, JCS delivers high-value expertise across six (6) key pillars:

### **Environmental Reference Bureau**

We serve as a trusted hub for environmental data, intelligence, and policy support, equipping governments, institutions, and businesses with the information they need to make sound, sustainable decisions.

### **Social Equity, Environment and Accountability (SEEA) Reporting and Auditing**

We provide specialized frameworks for organizations to measure, report and improve their performance in social equity, environmental responsibility and accountability. We provide technical support in developing transparent reporting systems and conducting audits that promote the circular economy

### **Circular Economy Initiatives**

Our programs promote the shift from linear to circular systems, helping industries and communities reduce waste, optimize resource use, and promote regenerative economic models that work for both people and planet.

### **Foreign Direct Investment & Consultancy**

We act as a strategic bridge between investors and green opportunities in Ghana, facilitating FDI into environmentally sustainable ventures that drive economic development, job creation, and climate resilience.

### **Green Business Support**

We champion and support emerging green enterprises through mentorship, financing access, and policy advocacy, catalyzing a new generation of eco-entrepreneurs who are shaping the future of sustainability.

### **Advocacy**

Our advocacy efforts are rooted in evidence and amplify the voices of communities, entrepreneurs and sustainability leaders. We actively engage in awareness campaigns and stakeholder engagement to promote systemic change.

### **OUR VISION**

To be a global catalyst for environmental transformation, empowering sustainable growth through innovation, collaboration, and green leadership. We aim to make a significant impact, not only on financial balance sheet but in addressing pressing social and environmental challenges.

### **OUR MISSION**

To provide cutting-edge environmental solutions, promote circular economies and create investment opportunities that align with our client's principles of social and environmental responsibility. With a strong focus on supporting green entrepreneurship we strive to create a cleaner and more resilient planet for future generations.

## **OUR GUIDING PHILOSOPHY**

We believe that sustainability is not just a goal, but a responsibility and an opportunity. Guided by innovation, integrity and impact, we aim in aligning economic advancement with environmental stewardship. We see each project as a step toward a thriving planet where prosperity and sustainability go hand in hand.

## **CORE VALUES**

**Innovation:** We pioneer practical solutions that drive lasting environmental and economic value.

**Sustainability:** We commit to long-term impact, balancing today's needs with future resilience.

**Collaboration:** We believe in partnerships that amplify progress and inclusivity.

**Excellence:** We deliver with professionalism, precision, and a passion for results.

**Integrity:** We operate transparently and uphold the highest ethical standards in all we do.

## **OUR COMMITMENT**

At JCS, we are a movement toward a greener, smarter, and more sustainable world. From shaping national environmental policies to empowering the smallest green startups, we bring clarity, capacity, and conviction to every initiative we undertake.
